

# RA Série

## RA Wall

RA Wall participates in its surroundings by playing with contrasts, shadows and reflections. The circular neon tube emits a bright light that reflects softly on the wall. A solid bronze disc eclipses a part of the light and draws in the hues of the setting.

## Lamping Specifications

Power input : 45W  
Technology : Cold cathode neon lifetime of 100 000h  
CCT\* : 2800K (Warm white)  
Lumen source : 1800 lm  
CRI : 94  
Input voltage : 120V - 2 wire dimming control integrated  
220-240V - DALI or 1-10V dimming

*\*Other CCT available upon request*

## Product Weight

4.1 kg / 9 lbs

## Construction

Hand-bent glass neon tube  
Bronze round plate

## Certifications

IP20 

## Materials

### Round plate finishes:

 Polished bronze

 Chrome plated
