PLEASE WAIT

The HARDIE stool is a clean-lined and no-nonsense piece.

The stool is made of three identical bent metal tube columns and a seat. The tubes pair up where they join, adding rigidity and stability to the design. The HARDIE stool is a versatile addition to any space and are offered in low stool, counter, and bar height. The seat is offered upholstered in leather and is also available with a natural ash wood seat in stained black or stained navy blue.

MEASUREMENTS:
